**St. John of Damascus:** "Let us be firm, my brothers, on the rock of faith, in the tradition of the Church, and not remove or change the boundaries established by our Holy Fathers. Let us close the road to innovators and not permit them to demolish the structure of the holy, catholic, and apostolic Church of God. If we allow, however, the introduction of any innovation, we unconsciously support the collapse of the Church. No, my brothers, you who love Christ, no, you children of the Church, you will never want to surround your Mother, the Church, with confusion."
